record.

PRESIDENT: Senator Cavanaugh, for what purpose do you arise?

SENATOR CAVANAUGH: Are we speaking on this amendment?

PRESIDENT: No, Senator Lewis has closed. Now you want a Roll Call vote, Senator Lewis. Call the roll, Mr. Clerk.

CLERK: Roll Call vote taken. See Page 1039, Journal.

PRESIDENT: Senator Duis, for what... Report the vote, Mr. Clerk.

CLERK: 26 ayes, 18 nays.

PRESIDENT: The motion carries. The question now is, the adoption of the Resolution. Senator Cavanaugh.

SENATOR CAVANAUGH: Can we talk on that now?

PRESIDENT: Yes, you were not...I was overruled doing this one day but I am going to do it again.

SENATOR CAVANAUGH: Well, the closed debate was on the amendment.

PRESIDENT: That's correct but many Senators spoke on the Resolution, itself. Well, I got overruled once and it may happen again. You were not heard on the original debate so the chair recognizes Senator Cavanaugh on the original Resolution.

SENATOR CAVANAUGH: OK. As I understand it now, the Resolution says that the Education Committee will conduct this inquiry. Is that correct? I don't see any reason for the Resolution. It is my understanding that the Education Committee has already done that. The Education Committee has reached its conclusions and the Education Committee has introduced a bill that they feel is the resolution of the problem and I think that it would be repetitious for the Education Committee to do that again. I think that Committee has sat, that they have formed their opinions and conclusions on LB 403 and that the original purpose of the Resolution was to create a broad based committee including the Appropriations Committee which has a major responsibility and had a major responsibility in the original development of the legislation and I think to have the Education Committee to undertake a task like this again would be purely repetitious for them and the conclusions that they would arrive at have already been arrived at by them. So I don't see any reason now for the Resolution at all.

PRESIDENT: Senator Duis.

SENATOR DUIS: Well, Mr. President, I would move that this Resolution be indefinitely postponed.

PRESIDENT: There is a motion to indefinitely postpone the Resolution. Do you wish to be heard on your motion, Senator?

SENATOR DUIS: I don't believe it is necessary. I think Senator Cavanaugh just said it. Let's vote.
